

# ILSNA/SNA Membership Application

## What is the School Nutrition Association?

Established in 1946, SNA is the only association devoted exclusively to protecting and enhancing children's health and well being by providing healthy, high quality, low cost school meals and sound nutrition education. The future of child nutrition programs is dependent on a strong national association that represents the largest possible number of foodservice personnel, school districts and schools.

## Why should your Food Service Staff become members of ILSNA/SNA?

- ◆ Training and Educational Opportunities
